

SANCTUARY 201

Spring Newsletter

"I am proud to present to you a unique and one of a kind life style experience at Sanctuary Lane".

David Di Rienzo

CEO & President

Razo Construction

The Sanctuary Lane Villas are a modern meets organic architectural style. With clean finishes, sleek lines and open spaces, the villa captures its modern elegance. On the other side, the choice of natural products and warm materials on these villas embrace the beautiful organic aspect of life.
